A. General Information

The City of Olivia is requesting proposals from qualified firms of certified public accountants to audit all funds for the fiscal years ending December 31, 2023, December 31, 2024, and December 31, 2025. These audits are to be performed in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the MN State Legal Compliance audit requirements, as well as all other Federal, State, and local requirements in effect now or placed in effect during the engagement. In addition, the audit must comply with the provisions of the Federal Single Audit Act of 1996 and U.S. Office of Management and Budget (OMB) Circular A-133, Audits of State and Local Governments and subsequent updates.

There is no expressed or implied obligation for the City of Olivia to reimburse responding firms for any expenses incurred in preparing proposals in response to this request. The City reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the firm of the conditions contained in this request for proposals, unless clearly and specifically noted in the proposal submitted and confirmed in the engagement letter between the City of Olivia and the firm selected.

Proposals must be submitted by November 15, 2023 by 4:00 pm, via email (preferred) to shanson@olivia.mn.us or if by mail, addressed to:

City of Olivia Shawn Hanson 1009 West Lincoln Ave Olivia, MN 56277

The City reserves the right to reject any or all proposals submitted.

During the evaluation process, the City reserves the right to request additional information or clarifications from responding firms, or to allow corrections of errors or omissions. At the discretion of the City, firms submitting proposals may be requested to make oral presentations as part of the evaluation process.

It is anticipated that the selection of a firm will be completed by November 22, 2023. Following the notification of the selected firm, it is expected that a contract will be executed between both parties as soon as possible.

B. Term of Engagement

A three-year contract is contemplated, subject to annual review of price and performance, along with an option to renew for an additional three-year period. The three-year renewal option will be at the sole discretion of the City, with scope of services and pricing to be negotiated.

C. Subcontracting

No subcontracting will be allowed without the express prior written consent of the City of Olivia.

II. NATURE OF SERVICES REQUIRED

A. General

The City of Olivia is soliciting the services of qualified firms of certified public accountants to audit and prepare its financial statements for the fiscal years ending December 31, 2023, 2024, and 2025 with the option of auditing its financial statements for an additional three-year period. These audits are to be performed in accordance with the provisions contained in this request for proposals.

B. Scope of Work to be Performed

The City of Olivia desires the auditor to express an opinion on the fair presentation of its basic financial statements, each major fund, and the aggregate remaining fund information and the respective changes in financial position, and, where applicable, cash flows thereof in accordance with accounting principles generally accepted in the United States of America.

The auditor is not required to audit the combining and individual fund financial statements and supporting schedules. However, the auditor is to provide an "in-relation-to" opinion on the combining and individual fund financial statements and supporting schedules based on the auditing procedures applied during the audit of the basic financial statements. The auditor is not required to audit the introductory or statistical sections of the report.

The auditor shall also be responsible for performing certain limited procedures involving required supplementary information required by the Governmental Accounting Standards Board as mandated by generally accepted auditing standards.

The auditor shall express an opinion on whether the governmental entity complied with laws, regulations, and with the provisions of contracts or grant agreements which could have a direct and material effect on the major program.

For every year the City is required to have a Single audit, the auditor would follow the provisions of the federal Single Audit Act Amendments of 1996. It is expected that the City will require a Single Audit periodically.

C. Auditing Standards to Be Followed

To meet the requirements of this request for proposals, the audit shall be performed in accordance with:

• The auditing standards generally accepted in the United States of America.

- The provisions of the Minnesota Legal Compliance Audit Guide for Local Governments
- The standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, if applicable.
- The provisions of the Single Audit Act of 1984 (as amended in 1996 and any new amendments), if applicable.
- The provisions of U.S. Office of Management and Budget (OMB) Circular A-133, if applicable.
- Any other Federal, State and local requirements in effect now or placed into effect during the engagements.

D. Reports to be Issued

Following the completion of both audits of the fiscal year's financial statements, the auditor shall issue:

- A report on the fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America, including an opinion on the fair presentation of the supplementary schedule of expenditures of federal awards "in relation to" the audited financial statements.
- A report on internal control over financial reporting based on the auditors understanding of internal control structure.
- A report on compliance with applicable laws and regulations.
- A report on internal control over compliance for major federal programs, an opinion on compliance requirements applicable to each major federal program, and a summary of the auditor's results and a schedule of findings and questioned costs, if any, required by the OMB.
- In the required report on internal controls, the auditor shall communicate any reportable conditions or material weaknesses, as defined by Government Auditing Standards.

<u>Irregularities and illegal acts</u>. Auditors shall be required to make an immediate, <u>written</u> report of all irregularities and illegal acts or indications of illegal acts of which they become aware to the City Administrator and the Mayor.

E. Reporting to the City Council

Auditors shall assure themselves that the City of Olivia City Council is informed of each of the following:

- 1. The auditor's responsibility under generally accepted auditing standards
- 2. Significant accounting policies
- 3. Management judgments and accounting estimates
- 4. Significant audit adjustments

- 5. Other information in documents containing audited financial statements
- 6. Disagreements with management
- 7. Management consultation with other accountants
- 8. Major issues discussed with management prior to retention
- 9. Difficulties encountered in performing the audit

F. Special Considerations

- 1. Additional assistance regarding the specifics of the future implementation and compliance with the reporting requirements mandated by GASB statements may be required.
- G. Working Paper Retention and Access to Working Papers

All working papers and reports must be retained, at the auditor's expense, for a minimum of three years, unless the firm is notified in writing by the City of Olivia of the need to extend the retention period. The auditor will be required to make working papers available, upon request, to the following parties or their designees:

- City of Olivia
- MN State Auditor
- U.S. General Accounting Office (GAO)
- Parties designated by the federal or state governments or by the City of Olivia as part of an audit quality review process
- Others as they become known or required by the City of Olivia

All data relating to the audit, including work papers, will be subject to the same data classifications that apply under Minnesota Statutes §6.715. The auditor conducting a City audit must provide access to such data relating to the audit and is liable for unlawful disclosure of the data as if it were a government entity under Minnesota Statute Chapter 13.

In addition, the firm shall respond to the reasonable inquiries of successor auditors and allow successor auditors to review working papers relating to matters of continuing accounting significance.

2. Independence

The firm should provide an affirmative statement that it is independent of the City as defined by generally accepted auditing standards. The firm also should provide an affirmative statement that it is independent of the component units of the City as defined by those same standards.

3. License to Practice in Minnesota

An affirmative statement should be included that the firm and all assigned key professional staff are properly licensed to practice in Minnesota.

4. Firm Qualifications and Experience
