PUBLIC FORUM

Cory Hebrink shared that he attended the last meeting and appreciated the electrical fund presentation. In the future he would like discussion items to be open for public comment. He informed the Council that he has been following the electrical fund for a few years and feels like the City continues to take advantage by increasing the rates. Hebrink stated that the PUC did create new goals in 2021 and 2022 and questioned a lack of communication between all the entities. Asked the City to strive to be as proactive as they can. He highlighted getting more of the grid buried underground, upgrade the system and look into the electrical fund balance. Hebrink stated that it does matter how much we raise rates, if we are not going to look into where this money is going then he suggested it wasn't going to be good.

No other public comments were offered so Mayor Hawkinson reopened the regular meeting at 5:37 P.M.

Re: Quotes for Equipment

Public Works sought the following quotes for a snow plow truck to replace their 2004 snow plow truck.
*All of the quotes are state bid options

<u>Truck</u>	<u>Body</u>
Freightliner - \$115,597	TBEI - \$99,456
Western Star - \$123,897	Crysteel - \$110,557
Mac - \$140,430.20	Towmaster - \$113,991

Public Works plans to trade in the 2004 snow plow truck to Crysteel for \$25,000.

Public Works would also like to note: the new snow plow will be a two-way plow which will be more efficient for their operations.

Public Works Recommends the following Quotes for Council Approval:

- Western Star \$ 123,897
- Crysteel \$110,557
